### **Measure for Measure**

Our aesthetic selves can feast for a long time on recollections of our fantastic Summer Party! Comments continued to roll in at Opera on Tuesday! Satisfying in every way, it offered a truly beautify and festive room design with outstanding floral arrangements; elevated and truly delicious French food, wine and liqueur; a fun nod to French couture and culture; a singular mostly French vocal program of interesting and challenging repertoire; emotionally engaged and superbly executed performance that left most teary at several points and exhausted at the end due to the incredible intensity of the marvelous afternoon. The committee and performer were swept away by a tidal wave of praise for a truly memorable day! They aimed for the highest level possible, and they achieved it! Congratulations again to all involved!

Remember that psychologist Abraham Maslow, in his "Hierarchy of Needs" placed the aesthetic needs of humans at the TOP of the famous pyramid. Self-actualizing people seek "Peak Experiences" in the aesthetic realm. Don't be satisfied with a hum-drum life! Seek the exquisite artistic, aesthetic realm. Find a live performance to touch your spirit! Cultivate the values you believe in! Contribute to them in ways that are possible for you through volunteerism, membership, encouragement, monetary contribution, and participation. Reach for the TOP! The aesthetic realm will feed you. It will provide the remarkable peak experiences that we need.

How wonderful that we live in a state with a number of operatic options available at the professional level! Our next Opera on Tuesday will present young singers from the Centra City Opera Company. Plan to join us on October 10 to hear them! Kathy Van Arsdale President DLOG 2023-24

### **Our Mission**

Denver Lyric Opera Guild's mission is to support and encourage young opera singers through grants to University Opera Programs and Young Artist Programs; to provide continuing education for members' appreciation and knowledge of opera; and by sponsoring an annual Competition for Colorado Opera Singers.

### **Opera on Tuesday Returns!**

**Opera on Tuesday** returned September 12 and featured singers from the University of Northern Colorado Opera Program. The lovely and varied performances ended with the Art song "Taco Man" about the woes of getting the perfect Taco when nothing else will do. A fitting conclusion to a delightful program led by Brian Luedloff and perfect introduction to a Summers End lunch of Tacos and Dulce de Leche ice cream. 62 members and special guests attended.

In a follow up note from Professor Luedloff:

"We had so much fun! The DLOG is very close to my old operatic heart, and I'm so grateful for your support of our students. We're happy to come anytime, and we hope your members can come see a production. I'm always happy to arrange tickets!"

- <u>The next Opera on Tuesday will be held October 10.</u> We will be treated to the vocal talents of singers from Central City Opera presenting "*Puccini on the Go and More....*". Be sure to register by October 4 and enjoy a menu with a pinch of Italy.
- Online Registration Time for an upgrade! Thank you to Jessica Loving-Campos and Ian Caiozzi for overseeing the very recent upgrade to our online registration system. It had begun to creak a bit with age and needed revitalizing. The upgrade slightly delayed opening October luncheon reservations so if you have encountered any problems registering for October 10, please call or text Gayle at 303-810-8712 or email giple@comcast.net. You'll find the new system easier to use and we will have better tracking for registrations and payments.
- <u>About the Visuals!</u> The versatile and talented **Becky Gantner** is the designer responsible for bringing our table décor to life. She puts careful thought and attention to the color scheme each month and nearly always designs and makes our beautiful table arrangements herself. We don't have a budget for décor and to offset the cost, watch for an envelope on the table inviting you to purchase the original <u>Centerpiece by Becky G!</u>
- <u>November Opera on Tuesday</u>. Please mark your calendar to enjoy the performances by artists from **Denver University's Lamont Opera Theater on November 7**. Registrations requested by November 1.

## **Requests for Inspirational Message**

Several DLOG members, UNC Dean Galetti, and Classic Piano Staff have requested copy of the philosophical statement with which I began my presidency managing OOT September 12. That day I mentioned that many leaders such as CEOs of businesses, coaches, small business owners, teachers, non-profit managers, and many others are encouraged to begin their terms with contemplation of their philosophy. Good to review at key points in life, too. I chose the format of "I believe Statements" about

music.

#### I BELIEVE...

that life is glorious, and that there is fabulous music for every occasion. All people of all times have had a song.

#### I BELIEVE ..

that music builds community. Sharing performances together creates moments of shared artistic expression.

### I BELIEVE...

that the musical insights of different historic eras and other cultures can be ours through learning the music of other times and places

#### I BELIEVE...

that making music breaks the barriers between us. Being new to the group, a successful investor, an athlete or a beauty—the importance of these vanish when we hear the music come alive.

### I BELIEVE...

that God communicates to us and through us from time to time as we sing and listen. Music offers us unique opportunities for spiritual insight.

### I BELIEVE...

that through music, many students develop a VOICE—a means of personal expression, a new confidence, an artistic connection, a unique sense of self, a newfound power, and an avenue for creativity.

### I BELIEVE...

in the tremendous power of music to change lives, heal wounds, elevate mood, bring peace, express any emotion, and touch the soul.

What do YOU believe?
